Director General's Greeting

Oh, Ye Faithful that have answered the call of Mahi and have headed your Caravan toward the Sea to join us in frolic and worship and the placing of the robes of purple about our next Imperial Potentate.

The splendor of our Tropics are before you. The Moon is full and looks down with all of its brightness upon the Nobility as they make happy under its smile.

We of Mahi are happy in welcoming your Caravan and the Hand of Friendship is held out to you.

Words cannot express our love and the warmth in our hearts for our guests. We ask that you make Our Oasis Your Oasis and Our Home Your Home and that our Imperial Family will see fit to join us in festivities at another time.

We have endeavored to arrange every detail and hope that our efforts have not been in vain and that our hospitality is received in the spirit that it is given—Good Fellowship.

If you do not have pleasure of the fullest we will have failed in our task.

Yours in the faith,

HENRY R. PRIDGEN,
Director General.

ARAB PATROL OF ALEPPO TEMPLE

A. A. O. N. M. S.

TOUR OF DUTY TO

IMPERIAL COUNCIL SESSION

MIAMI, FLORIDA

MAY 1—3, 1928

---

1 Nobles of the Arab Patrol of Aleppo Temple, who are listed for the trip to Miami, will report at the Boston and Albany R. R. yards, off Huntington Avenue-entrance near Mechanics Building, just above Exeter Street—on Friday, April 27, at 7 o'clock p.m.

2 Nobles will proceed to the baggage car of the special train and take their uniform cases to the Pullman car assigned to their platoon, immediately changing from civilian clothing to uniform—Bill of dress: Full dress uniform, white collar, black shoes, FEZ.

3 The uniformed units will parade to the South Station over the following route: Huntington Avenue to Boylston, to Tremont, to Temple Place, to Washington, to Summer Streets, to South Station.

4 Lines will be formed in the R. R. yards, right resting at the entrance, at 7.50 o'clock prompt.

5 The special train, in two sections, will leave at 9 o'clock. The Patrol section, from track No. 13.

6 Throughout this tour of duty Nobles will keep in mind they wear the uniform of Aleppo Temple and govern themselves accordingly.

By order of

MAJOR BOLTON.

R. D. LIVINGSTON, *Adjutant.*

INFORMATION AND SUGGESTIONS

Assignments of Pullman Cars:

Car	A	Headquarters Car.
	B	Altar Platoon.
	C	First Platoon.
	D	Second Platoon.
	E	Third Platoon.
	F	Fourth Platoon.
	G	Mounted Patrol.
	H	Ladies' Car.

In instances where it is impossible to locate the Platoon quota in one car, assignments will be made in individual cases. This arrangement for sleeping purposes does not prohibit Platoon contact during the daytime.

Sickness:

The Platoon surgeons will be on duty in the Headquarters car.

Personal Baggage:

It is suggested that personal baggage be taken in a suit case, not exceeding 9½x30 inches. A case is preferable to a hand bag as it will fit under the seat. The Pullman regulations, in the interests of safety, will not permit any luggage to be placed in the aisles.

Travel as light as possible.

Tags for personal baggage will be provided by the Quartermaster. Print your tag clearly, and take your baggage to the car to which you are assigned.

Uniform Cases:

When you change to uniform, put your civilian clothing in the uniform case, leave it in your car until after the train has left the station—then change back to "civies" and take your case to the baggage car, placing in the proper chest.

Take time to fold your clothes, or uniform, in a proper manner.

An old, or comfortable suit, is desirable for wear on the train.

No part of the uniform, except it be the FEZ, shall be worn aboard the train. Try to keep your uniform from getting wrinkled and mussed up. Help the general appearance.

Notices will be posted when to wear the uniform, and the bill of dress prescribed. These notices will be placed near the Drawing Room of each car.

Meals:

Dining car service will be maintained for the greater part of the trip. The average price for meals will be: Breakfast, $1.00; Luncheon, $1.00; Evening Dinner, $1.50. At Miami eat where you please.

Train Parking at Miami:

The Pullman cars will be parked at the best location attainable, to which local transportation is available.

Every possible convenience will be provided, and, as past experience has shown, the sleeping accommodations are better than a crowded hotel.
